Swimming WA will be providing another opportunity for Age swimmers to achieve a National Age Qualifying time. The format will be a limited event schedule conducted in the break of the Open Championships at Challenge Stadium between 27 and 30 January 2010.

A list of events for each day will be published on the SWA website in early January. A downloadable 'Event File' will also be posted on our Event Calendar.

Electronic entries will close 5.00pm Monday 18 January 2010. There will be no program provided for these events.

We will host two heats of each event, so a maximum number of 16 competitors per event get the opportunity to race. It will be first in, first served scenario so swimmers wanting to enter will need to do so early.

Cost will be \$20 per event and each swimmer will need to provide their own three (3) timekeepers. Qualification times for this opportunity will be equivalent to a 14 year old State Qualifying time for each event.

Start time is estimated to be 12pm midday, warm up at 11.30 providing the morning session of the Open event has been completed before 11 am. Some flexibility may be needed if the morning session runs longer.
